

An RH chair is the perfect work tool, a chair that puts you in optimal position all day, every day.

A few simple adjustments is all it takes to make your RH chair fit your individual anatomy. An RH chair supports upright posture and active sitting. Increasing your performance.

RH LOGIC 400/300

You deserve a chair that is right for your body. With RH Logic, you can choose a high or low back and a number of other design features. The result is a comfortable chair that helps you to perform better throughout the working day. RH Logic is also available as a 24/7 and ESD friendly chair.

Ergonomics

Providing complete support in any working position, enabling you to always sit correctly and breathe properly.

- Sculptured seat with waterfall front combined tapered back with clear lumbar support and "Tvedt" cushion encourages movement and an upright posture.
- Adjustable back angle and infinitely adjustable tilt Mechanism that can be locked in any chosen position.
- Pictograms on all handles and levers make the chair easy to use, easy to understand.
- Easily interchangeable seat and back that can be clicked on and off.
- Woollen layer in seat and back ensures improved ventilation, keeping you cooler and more comfortable.
- Inflatable lumbar support give excellent support for the entire back in upright posture.

Design

Materials and surfaces communicating comfort and wellbeing through bodyfitting forms. Expressing human performance.

Fire classifications

Foams and standard fabrics are tested to BS/EN 1021-1&2 (cigarette & match). Foam and fabric according to BS-5852 ignition source 5 (crib 5) can be delivered on request. Please contact our customer service for further information.

Maintenance

Vacuum clean the chair with a furniture brush or wipe it with a clean, cloth or sponge slightly dampened with lukewarm clean water. Do not remove any plastic parts or attempt to open the seating mechanism. Contact your Scandinavian Business Seating dealer if the chair requires servicing or maintenance.

The design and specifications of RH Chairs' products are developed on an ongoing basis and the above formulations should not be perceived as completely final.

ESD

RH Logic is available as ESD Chair. Scandinavian Business Seating provides a 5 year warranty for ESD, conditional on casters and treads-being cleaned regularly with a suitable cleaning agent.

The chairs are approved in line with IEC 61340(ESD). To work effectively the chair should be used in an ESD-adapted environment.
