

An RH chair is the perfect work tool, a chair that puts you in optimal position all day, every day.

A few simple adjustments is all it takes to make your RH chair fit your individual anatomy. An RH chair supports upright posture and active sitting. Increasing your performance.

RH ACTIV

If you are looking for a chair that can be adapted to suit different people in different office environments, RH Activ is a natural choice. RH Activ is easy to use and will give you good support even if you sit for long hours. RH Activ is also available in ESD and cleanroom editions.

Ergonomics

Providing complete support in any working position, enabling you to always sit correctly and breathe properly.

- Seamless and separate adjustable seat and back angle.
- Pictograms on all handles and levers make the chair easy to use, easy to understand.
- Replaceable seat and back, easy to change.
- A user-friendly multiuser chair, were you sit well for both short and long periods.
- Can be tailor-made to almost all tasks and environments. Two seats, two backs, five gas stems, extra reinforced seat and back upholstery for heavy use, cashier-seat, and foot-ring.

The design and specifications of RH Chairs' products are developed on an ongoing basis and the above formulations should not be perceived as completely final.

ESD

RH Activ is available as ESD Chair. Scandinavian Business Seating provides a 5 year warranty for ESD, conditional on casters and treads-being cleaned regularly with a suitable cleaning agent.

The chairs are approved in line with IEC 61340(ESD). To work effectively the chair should be used in an ESD-adapted environment.
